

Every applicant **MUST** specify first, second, and third choice of Universities and the respective Field of Studies from this Course List.

And you **MUST** search detailed information on the courses you are interested in through **ABE Initiative Portal Site**.

<http://www.education-japan.org/africa/search/>

**!! Some courses require you to contact professors before you submit your application documents.**

**Please see the information on each course on ABE Initiative Portal Site !!**

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Field of Study													Number of participants per course	Maximum Number of participants	
				Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others				
1A	Doshisha University	Science and Engineering	Information and Computer Science/ Master of Science in Engineering	○	○												Information and Computer Science	-	5
1B	Doshisha University	Science and Engineering	Electrical and Electronic Engineering/ Master of Science in Engineering	○														-	
1C	Doshisha University	Science and Engineering	Mechanical Engineering/ Master of Science in Engineering	○														-	
1D	Doshisha University	Science and Engineering	Applied Chemistry/ Master of Science in Engineering or Master of Science	○		○												-	
1E	Doshisha University	Science and Engineering	Science of Environment and Mathematical Modeling/ Master of Science in Engineering or Master of Science	○		○											Science of Environment and Mathematical Modeling	-	
2A	Doshisha University	Global Studies	Course of Global Studies. -Global Society Studies Cluster -American Studies Cluster -Contemporary Asian Studies Cluster * The "Global Society Studies Cluster" and the "American Studies Cluster" enable students to obtain a degree by taking classes taught entirely in English.							○					○		Development study, Governance, Gender, Regional research of Asia, America, Middle-East, Africa	-	5
3A	Waseda University	Information, Production and Systems	Information, Production and Systems Engineering Program/Master's Degree in Engineering	○	○													-	5
4A	Kyoto University	Global Environmental	International Environmental Management Program	○		○	○	○		○						○		-	2
5A	Kobe Institute of Computing	Information Technology	ICT innovator Course, Master's Degree Program	○	○	○	○	○	○	○	○	○	○	○	○		Solution for Global Issue	-	30
6A	Tottori University	Agriculture	Special Program for Foreign Students in Arid Land Agricultural Sciences/ Master of Agriculture			○												-	5
7A	Waseda University	Economics	Economics Course/M.A.in Economics							○								-	5
7B	Waseda University	Economics	Global Political Economy Course/ M.A. in Global Political Economy							○								-	
8A	Kyoto Institute of Technology	Science and Technology	Applied Biology			○												-	
8B	Kyoto Institute of Technology	Science and Technology	Functional Chemistry	○														-	
8C	Kyoto Institute of Technology	Science and Technology	Material's Properties Control	○														-	
8D	Kyoto Institute of Technology	Science and Technology	Materials Synthesis	○														-	5
8E	Kyoto Institute of Technology	Science and Technology	Electronics	○														-	
8F	Kyoto Institute of Technology	Science and Technology	Information Science	○	○													-	
8G	Kyoto Institute of Technology	Science and Technology	Design Engineering and Management	○						○								-	
8H	Kyoto Institute of Technology	Science and Technology	Advanced Fibro-Science	○														-	
8I	Kyoto Institute of Technology	Science and Technology	Biobased Materials Science	○														-	
8J	Kyoto Institute of Technology	Science and Technology	Architecture	○														-	
8K	Kyoto Institute of Technology	Science and Technology	Design	○														-	
8L	Kyoto Institute of Technology	Science and Technology	Innovative Materials	○														-	
8M	Kyoto Institute of Technology	Science and Technology	Mechanophysics	○														-	
8N	Kyoto Institute of Technology	Science and Technology	Mechanodesign	○														-	
9A	International University of Japan	International Relations	International Development Program							○					○		International Relations Program	-	20
9B	International University of Japan	International Relations	Public Management and Policy Analysis Program							○					○		International Relations Program	-	
9C	International University of Japan	International Relations	International Relations Program							○					○		International Relations Program	-	
10A	Tokyo University of Agriculture	Agriculture	Agricultural Engineering			○												2	14
10B	Tokyo University of Agriculture	Agriculture	International Agricultural Development			○				○								10	
10C	Tokyo University of Agriculture	Agriculture	Agribusiness Management			○				○								2	
11A	Tokyo University of Agriculture	Bioindustry	Department of Food and Cosmetic Science/Master's Degree in Bioindustry														Applied Microbiology	-	2
12A	International University of Japan	International Management	MBA Program							○	○						General Management, Marketing, Finance, Operations Management/IT, Social Enterprise and Project Management	-	20
13A	Kochi University	Integrated Arts and Sciences (Agriculture)	Special Course for International Students from Asia, Africa and the Pacific Rim			○												-	5
14A	Tokyo University of Agriculture and Technology	Agriculture	Dept. of International Environmental and Agricultural Science (IEAS)/Master of agriculture/ Master of Philosophy	○	○					○							Population Sociology	-	5
15A	Waseda University	Fundamental Science and Engineering	Department of Computer Science and Communications Engineering / Master of Engineering	○	○													-	10
16A	Waseda University	Creative Science and Engineering	Dept. of Civil and Environmental Engineering / Master of Engineering	○														-	5
17A	Waseda University	Advanced Science and Engineering	Dept. of Pure and Applied Physics/Master of Engineering or Master of Science	○														-	17
17B	Waseda University	Advanced Science and Engineering	Dept. of Chemistry and Biochemistry / Master of Science			○												-	
17C	Waseda University	Advanced Science and Engineering	Dept. of Applied Chemistry / Master of Engineering	○														-	
17D	Waseda University	Advanced Science and Engineering	Dep. of Life Science and Medical Bioscience / Master of Engineering or Master of Science							○								-	
17E	Waseda University	Advanced Science and Engineering	Dept. of Electrical Engineering and Bioscience /Master of Engineering or Master of Science	○														-	

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
18A	Reitaku University	Economics	Program / Master's Degree in Economics							○				○		-	
18B	Reitaku University	Economics	Program / Master's Degree in Business Administration							○				○		-	5
19A	Yamaguchi University	Agriculture	Special Program for International Students/Master's Degree in Agriculture			○										-	2
20A	Shimane University	Interdisciplinary Science and Engineering	GRADUATE COURSE IN EARTH SCIENCE AND GEOENVIRONMENTAL SCIENCE/Master's Degree in Science and Engineering	○												-	3
21A	Shimane University	Life and Environmental Science	Master's Degree in Life and Environmental Science			○										-	7
22A	Kagawa University	Agriculture	Special Course for International Students from Asia, Africa and the Pacific Rim			○										-	5
23A	Hokkaido University	Medicine	Medical Science								○					-	10
24A	Hokkaido University	Environmental Science	Course in Global Environmental Management	○	○	○				○	○					-	5
24B	Hokkaido University	Environmental Science	Course in Human and Ecol. System	○	○	○				○	○					-	
24C	Hokkaido University	Environmental Science	Course in Environ. Adaptation Sci.	○	○	○				○	○					-	
25A	Hokkaido University	Economics and Business Administration	Economic Policy Course							○						-	
25B	Hokkaido University	Economics and Business Administration	Business Management Course							○						-	5
26A	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Applied Physics】	○												-	5
26B	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Materials Science and Engineering】	○												-	
26C	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Mechanical and Space Engineering】	○												-	
26D	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Human Mechanical Systems and Design】	○												-	
26E	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Energy and Environmental Systems】	○												-	
26F	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Quantum Science and Engineering】	○												-	
26G	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Field Engineering for the Environment】	○												-	
26H	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Engineering and Policy for Sustainable Environment】	○												-	
26I	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Architectural and Structural Design】	○												-	
26J	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Human Environmental Systems】	○												-	
26K	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Environmental Engineering】	○												-	
26L	Hokkaido University	Engineering	English Engineering Education program(e3)【Division of Sustainable Resources Engineering】	○												-	
27A	Toyo University	Life Sciences	Life Sciences Program / Master's Degree in Life Sciences			○	○									-	
28A	Ehime University	Science and Engineering / Agriculture	Civil and Environmental Engineering Course	○												2	9
28B	Ehime University	Science and Engineering / Agriculture	Earth's Evolution and Environment Course	○												2	
28C	Ehime University	Science and Engineering / Agriculture	AAP(Special Course for International Students from Asia, Africa and the Pacific Rim)			○										5	
29A	Nagasaki University	Tropical Medicine and Global Health	Tropical Medicine Course							○					Public Health, Global Health	5	10
29B	Nagasaki University	Tropical Medicine and Global Health	International Health Development Course							○					Public Health, Global Health	3	
29C	Nagasaki University	Tropical Medicine and Global Health	Health Innovation Course							○					Public Health, Global Health	2	
30A	Ritsumeikan Asian Pacific University	Management (GSM)	Japanese Management Course							○						-	12
30B	Ritsumeikan Asian Pacific University	Management (GSM)	Marketing and Management Course							○						-	
30C	Ritsumeikan Asian Pacific University	Management (GSM)	Innovation and Operations Management Course							○						-	
31A	Waseda University	Asia-Pacific Studies (GSAPS)	MA Program in International Relations										○	International Relations, Educational Development, ICT Economics, Development Economics, Peace and Human security, International Migration, Asian Economics, Anthropology	-	15	
33A	Yamaguchi University	Economics	Public Administration Course / Master of Economics							○				○		-	4
34A	Obihiro University of Agriculture and Veterinary Medicine	Animal husbandry	Master's Program in Animal and Food Hygiene			○										5	8
34B	Obihiro University of Agriculture and Veterinary Medicine		Master's Program in Agro-environmental Science			○										1	
34C	Obihiro University of Agriculture and Veterinary Medicine		Master's Program in Food Science			○										1	
34D	Obihiro University of Agriculture and Veterinary Medicine		Master's Program in Life Science and Agriculture			○										1	
35A	Ryukoku University	Economics	The Inter-civic Relations Program/ Master's Degree in Economics							○						-	6
36A	Toyo University	Regional Development Studies	Regional Development Studies/Master's Degree in Regional Development Studies	○	○	○				○		○	○	○	Regional Development, Development Planning, Sociology, Community Development, Rural Development, Energy	-	8

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
37A	Rikkyo University	Business	Master of International Business Program						○						-	5
38A	Rikkyo University	Tourism	Master of Tourism Program									○			-	5
39A	Kobe University	International Cooperation Studies	Special Course for Development Policy (Master's program in English)						○						-	5
40A	Kyoto University	Agriculture	Division of Agronomy and Horticultural Science / Master of Agricultural Science			○								Crop Science, Plant Breeding	1	7
40B	Kyoto University	Agriculture	Division of Forest and Biomaterials Science/ Master of Agricultural Science			○						○			1	
40C	Kyoto University	Agriculture	Division of Applied Life Sciences / Master of Agricultural Science			○									1	
40D	Kyoto University	Agriculture	Division of Applied Biosciences / Master of Agricultural Science			○	○								1	
40E	Kyoto University	Agriculture	Division of Environmental Science and Technology/ Master of Agricultural Science	○	○	○						○			1	
40F	Kyoto University	Agriculture	Division of Natural Resource Economics / Master of Agricultural Science			○		○	○			○			1	
40G	Kyoto University	Agriculture	Division of Food Sciences and Biotechnology / Master of Agricultural Science			○									1	
41A	Kumamoto University	Science and Technology	Computer Science and Electrical Engineering	○	○										-	6
41B	Kumamoto University	Science and Technology	Mechanical System Engineering	○											-	
41C	Kumamoto University	Science and Technology	Architecture											Architecture	-	
41D	Kumamoto University	Science and Technology	Civil and Environmental Engineering	○											-	
42A	Nagoya University	Economics	Economics and Business Administration International Program/ Master's Degree in Economics						○						-	5
43A	Nagoya University	Engineering	Global Environmental Leaders Program / Graduate School of Engineering	○											-	4
43B	Nagoya University	Environmental Studies	Global Environmental Leaders Program / Graduate School of Environmental Studies	○											-	
44A	Nagoya University	International Development	Department of International Development						○	○	○	○		Education, Regional Development, Agricultural Development, Law, Human Security, Peace Studies, Development Studies	-	4
44B	Nagoya University	International Development	Department of International Cooperation Studies						○	○	○	○		Education, Regional Development, Agricultural Development, Law, Human Security, Peace Studies, Development Studies	-	
45A	Nagoya University	Bioagricultural Sciences	International course in Graduate School of Bioagricultural Sciences, Nagoya University			○									-	5
46A	Doshisha University	Business	Global Business and Management Studies					○	○			○			-	10
47A	Sophia University	Science and Technology	Master's Program in Green Science and Engineering Division	○	○	○	○								-	5
48A	Sophia University	Global Studies	Program in Global Studies/ M.A. in Global Studies										○		-	5
48B	Sophia University	Global Studies	Program in Global Studies/ M.A. in International Business and Development Studies											Others	-	
48C	Sophia University	Global Studies	Program in Global Studies/ M.A. in Japanese Studies											Japanese Studies	-	
49A	Sophia University	Global Environmental	Program in Global Environmental Studies/ M.A. in Environmental Studies											Environmental Studies	-	5
50A	Keio University	Media and Governance	Human Security and Communications Program (HC)						○			○	○		-	10
50B	Keio University	Media and Governance	Environmental Design and Governance Program (EG)	○	○	○			○			○	○	GIS/Environmental Design/Landscape/Architecture/Compter Simulation	-	
51A	Shibaura Institute of Technology	Engineering and Science	Electrical Engineering and Computer Science (Master of Engineering)	○	○	○									-	20
51B	Shibaura Institute of Technology	Engineering and Science	Materials Science and Engineering(Master of Engineering)	○		○									-	
51C	Shibaura Institute of Technology	Engineering and Science	Applied Chemistry(Master of Engineering)	○		○									-	
51D	Shibaura Institute of Technology	Engineering and Science	Mechanical Engineering(Master of Engineering)	○		○									-	
51E	Shibaura Institute of Technology	Engineering and Science	Architecture and Civil Engineering(Master of Engineering)	○		○									-	
51F	Shibaura Institute of Technology	Engineering and Science	Systems Engineering and Science(Master of Science)	○	○	○									-	
52A	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Marine Life Sciences International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	5
52B	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Food Science and Technology International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
52C	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Marine Environmental Studies International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
52D	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Marine Policy and Management International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
52E	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Marine System Engineering International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
52F	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Maritime Technology and Logistics International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
52G	Tokyo University of Marine Science and Technology	Marine Science and Technology	Course of Safety Management in Food Supply Chain International Marine Science and Technology Special Development Program			○	○							Marine Technology, Food Technology	-	
53A	Osaka University	Information Science and Technology	Information Technology Special Course in English	○	○										-	2
54A	Osaka University	Science	Special Integrated Science (SISC) Program				○								-	3
56A	University of Miyazaki	Engineering	Environmental Systems Course	○											-	6
56B	University of Miyazaki	Engineering	Energy and Electronics Course	○	○										-	
56C	University of Miyazaki	Engineering	Mechanical Systems and Informatics Course	○	○										-	
57A	University of Miyazaki	Agriculture	International Course of Agriculture			○									-	5

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
58A	Saga University	Agriculture	Applied Biological Sciences/ Master's Degree in Agricultural Sciences			O									-	
58B	Saga University	Agriculture	Agro-Environmental Conservation/ Master's Degree in Agricultural Sciences			O									-	
58C	Saga University	Agriculture	Resource Recycling Agro-biology and agro-production Systems/ Master's Degree in Agricultural Sciences			O									-	5
58D	Saga University	Agriculture	Rural Development Studies/ Master's Degree in Agricultural Sciences			O									-	
58E	Saga University	Agriculture	Applied Biochemistry and Food Science/ Master's Degree in Agricultural Sciences			O									-	
59A	University of the Ryukyus	Engineering and Science	Mechanical Systems Engineering Course/ Master of Engineering	O											-	
59B	University of the Ryukyus	Engineering and Science	Civil Engineering and Architecture Course/ Master of Engineering	O											-	
59C	University of the Ryukyus	Engineering and Science	Electrical and Electronics Engineering Course/ Maser of Engineering	O											-	8
59D	University of the Ryukyus	Engineering and Science	Information Engineering Course/ Master of Engineering	O	O										-	
60A	Yokohama City University	International Management	Department of International Management/ Master of Economics, Master of Management						O						-	2
61A	Yokohama City University	Nanobioscience	Department of Materials System Science / Master of Science	O			O								-	5
61B	Yokohama City University	Nanobioscience	Department of Life and Environmental System Science / Master of Science	O	O	O	O								-	
62A	Yokohama City University	Medicine	Department of Epidemiology and Public Health / Master of Medical Science							O					-	2
63A	Hiroshima University	International Development and Cooperation	Development Policy Course, Division of Development Science											Pedagogy, Agricultural Economics	-	
63B	Hiroshima University	International Development and Cooperation	Development Technology Course, Division of Development Science	O	O		O					O			-	12
63C	Hiroshima University	International Development and Cooperation	Educational Development Course, Division of Educational Development and Cultural and Regional Studies											Education	-	
63D	Hiroshima University	International Development and Cooperation	Cultural and Regional Studies Course, Division of Educational Development and Cultural and Regional Studies			O								Cultural and Regional Studies	-	
64A	Kyushu University	Economics	International Master's Program in Economics						O						-	3
65A	Kyushu University	Engineering	International Master's Program in Chemical Engineering	O											-	
65B	Kyushu University	Engineering	International Master's Program in Civil and Structural Engineering, Urban and Environmental Engineering	O											-	5
65C	Kyushu University	Engineering	International Master's Program in Earth Resources Engineering	O											-	
66A	Kyushu University	Bioresource and Bioenvironmental Sciences	International Development Research Course			O									-	3
67A	Kyushu Institute of Technology	Computer Science and Systems Engineering	Area of Computer Science and Electronics, Department of Advanced Informatics	O			O								-	
67B	Kyushu Institute of Technology	Computer Science and Systems Engineering	Area of Bioscience and Bioinformatics, Department of Interdisciplinary Informatics	O			O								-	6
67C	Kyushu Institute of Technology	Computer Science and Systems Engineering	Department of Creative Informatics	O			O								-	
68A	Ritsumeikan University	Economics	Master's Program in Economic Development (MPED)			O		O	O				O		-	5
69A	Ritsumeikan University	International Relations	Global Cooperation Program					O	O	O	O			International Relations, International Finance, Environment, Extractive Industries, Rural Development	-	8
70A	Ritsumeikan University	Policy Science	English Based Program/ Master's Program in Policy Science (GSPS)						O				O	Environment, Disaster Prevention, One Village One Product	-	10
71A	Ritsumeikan University	Science and Engineering	Advanced Electrical, Electronic and Computer Systems Major <Program> Master's Degree in Engineering, Advanced Electrical, Electronic and Computer Systems, International Program for Science and Engineering	O											-	
71B	Ritsumeikan University	Science and Engineering	Advanced Mechanical Engineering and Robotics Major <Program> Master's Degree in Engineering, Advanced Mechanical Engineering and Robotics, International Program for Science and Engineering	O											-	15
71C	Ritsumeikan University	Science and Engineering	Advanced Architectural, Environmental and Civil Engineering Major <Program> Master's Degree in Engineering, Advanced Architectural, Environmental and Civil Engineering, International Program for Science and Engineering	O											-	
72A	Ritsumeikan University	Information Science and Engineering	International Program of Graduate School of Information Science and Engineering	O	O										-	5
73A	Ritsumeikan University	Life Science	Advanced Life Sciences Major, Applied Chemistry Course, International Program for Advanced Life Sciences	O		O	O			O				Bioinformatics	-	
73B	Ritsumeikan University	Life Science	Advanced Life Sciences Major, Biotechnology Course, International Program for Advanced Life Sciences	O		O	O			O				Bioinformatics	-	4
73C	Ritsumeikan University	Life Science	Advanced Life Sciences Major, Bioinformatics Course, International Program for Advanced Life Sciences	O		O	O			O				Bioinformatics	-	
73D	Ritsumeikan University	Life Science	Advanced Life Sciences Major, Biomedical Sciences Course, International Program for Advanced Life Sciences	O		O	O			O				Bioinformatics	-	
74A	Toyoashi University of Technology	Engineering	International Master's Degree Program Mechanical Engineering	O											-	
74B	Toyoashi University of Technology	Engineering	International Master's Degree Program Electrical and Electronic Information Engineering	O											-	
74C	Toyoashi University of Technology	Engineering	International Master's Degree Program Computer Science and Engineering	O											-	5
74D	Toyoashi University of Technology	Engineering	International Master's Degree Program Environmental and Life Sciences	O											-	
74E	Toyoashi University of Technology	Engineering	International Master's Degree Program Architecture and Civil Engineering	O											-	

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
75A	Akita University	International Resource Sciences ( applying to launch at 2016 )	Dept. of Earth Resource Science				O								Resource Sciences	-	5
75B	Akita University	International Resource Sciences ( applying to launch at 2016 )	Dept. of Earth Resource Engineering and Environmental Science	O											Resource Sciences	-	
77A	Japan Advanced Institute of Science and Technology	Advanced Science and Technology	Advanced Science and Technology Program	O	O	O	O								Knowledge Science	-	6
78A	Nagoya Institute of Technology	Engineering	Department of Materials Science and Engineering	O			O									-	7
78B	Nagoya Institute of Technology	Engineering	Department of Architecture, Civil Engineering and Industrial Management Engineering	O			O									-	
78C	Nagoya Institute of Technology	Engineering	Department of Scientific and Engineering Simulation	O			O									-	
79A	Okayama University	Environmental and Life Science	Division of Science for Bioresources				O									-	3
79B	Okayama University	Environmental and Life Science	Division of Science for Bio-production				O									-	
79C	Okayama University	Environmental and Life Science	Division of Biological and Human Ecology				O									-	
80A	Kyoto University	Engineering	International Course in Management of Civil Infrastructure (Dept. of Civil and Earth Resources Engineering)	O												-	6
80B	Kyoto University	Engineering	International Course in Urban and Regional Development (Dept. of Urban Management)	O												-	
81A	Meiji University	Governance Studies	Governance Program												Public Management, Public Finance, Crisis Management, Urban Policy, International Relations, NGO/NPO Management	-	5
82A	Osaka University	Engineering	Quantum Engineering Design Course	O												2	11
82B	Osaka University	Engineering	Biotechnology Global Human Resource Development Program	O												-	
82C	Osaka University	Engineering	Chemical Science Course	O												-	
82D	Osaka University	Engineering	International Program of Maritime and Urban Engineering	O												-	
83A	Osaka University	Engineering Science	Department of Materials Engineering Science, Special Program of "Engineering Science 21st Century"	O												-	3
83B	Osaka University	Engineering Science	Department of Mechanical Science and Bioengineering, Special Program of "Engineering Science 21st Century"	O												-	
83C	Osaka University	Engineering Science	Department of Systems Innovation Special Program of "Engineering Science 21st Century"	O												-	
84A	Tokushima University	Advanced Technology and Science	Intelligent Structures and Mechanics Systems Engineering Program/Master's Degree in Civil and Environmental Engineering	O												-	6
84B	Tokushima University	Advanced Technology and Science	Intelligent Structures and Mechanics Systems Engineering Program/Master's Degree in Mechanical Engineering	O												-	
84C	Tokushima University	Advanced Technology and Science	Life and Materials System Engineering Program/ Master's Degree in Chemical Science Technology	O												-	
84D	Tokushima University	Advanced Technology and Science	Life and Materials System Engineering Program/ Master's Degree in Biological Science and Technology.	O												-	
84E	Tokushima University	Advanced Technology and Science	Systems Innovation Engineering Program/Master's Degree in Electrical and Electronic Engineering	O												-	
84F	Tokushima University	Advanced Technology and Science	Systems Innovation Engineering Program/Master's Degree in Information Science and Intelligent Systems	O												-	
84G	Tokushima University	Advanced Technology and Science	Systems Innovation Engineering Program/Master's Degree in Optical Systems Engineering	O												-	
85A	Tokushima University	Medical Science	Program / Master's Degree in ophthalmology Master of Science (Medical Science)								O					-	1
86A	Mie University	Bioresources	Sustainable Resource Sciences Program			O	O			O				O	International Agriculture Management	-	3
86B	Mie University	Bioresources	Environmental Science and Technology Program												Agriculture Engineering, Agriculture Machinery, Environmental Science, Oceanography, Meteorology, Others 【Engineering】 Environmental Engineering, 【Agriculture】 Irrigation, Water and Soil Management Engineering, Other Agricultural Fields	-	
86C	Mie University	Bioresources	Life Sciences Program												Agriculture Chemistry, Food Science, Marine Science, Marine Biotechnology, Fisheries Science 【Agriculture】 Biochemistry, Microbiology, Food Science /Marine Fisheries Science, Other Agricultural Field	-	
87A	International Christian University	Arts and Sciences	Education and Psychology Program												Education (Distance Education and E-learning, International Education Development)	3	6
87B	International Christian University	Arts and Sciences	Public Policy and Social Research Program							O						3	
88A	The University of Kitakyushu	Environmental Engineering	Graduate Programs in Environmental Systems / Environment and Resources Systems Course	O												-	3
89A	Miyagi University	Project Design	Business Planning Program in Project Design	O	O									O	Community Business	-	4
89B	Miyagi University	Project Design	Spatial Design Program in Project Design	O	O									O	Community Business	-	
89C	Miyagi University	Project Design	Information Design Program in Project Design	O	O									O	Community Business	-	
90A	Miyagi University	Food, Agricultural and Environmental Sciences	Food Innovation Programme	O	O				O							-	2
90B	Miyagi University	Food, Agricultural and Environmental Sciences	Agriculture/Environment Innovation Programme	O	O				O							-	
91A	University of Fukui	Engineering	Global Engineering Program for International Students	O	O											-	5
92A	Yokohama National University	Engineering	Specialization in Ocean and Space Engineering, Department of Systems Integration					O								-	5
92B	Yokohama National University	Engineering	Specialization in Electrical and Computer Engineering, Department of Physics, Electrical and Computer Engineering	O	O											-	
93A	Yokohama National University	International Social Sciences	African Economics and Business Initiative (AEBI) program funded by ABE Initiative and hosted by Department of Economics							O						-	2
94A	Yokohama National University	Urban Innovation	Dept. of Architecture and Urban Culture	O											Other Engineering Fields	2	7
94B	Yokohama National University	Urban Innovation	Department of Infrastructure and Urban Society	O											Development study, Social Science	5	

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
95A	University of Tsukuba	Systems and Information Engineering	Disaster Control Engineering Dept. of Engineering Mechanics and Energy / Master of Engineering	○												-	3
95B	University of Tsukuba	Systems and Information Engineering	Space Exploration Engineering Dept. of Engineering Mechanics and Energy / Master of Engineering	○												-	
95C	University of Tsukuba	Systems and Information Engineering	Energy and Environmental Engineering Dept. of Engineering Mechanics and Energy / Master of Engineering	○												-	
95D	University of Tsukuba	Systems and Information Engineering	Multi-Scale Solid Mechanics Dept. of Engineering Mechanics and Energy / Master of Engineering	○												-	
97A	University of Tsukuba	Humanities and Social Sciences	Master's Program in International Area Studies							○				○	International Relations	-	5
98A	University of Tsukuba	Library, Information and Media Studies	English Program in Library and Information Science/ Master of Library and Information Science		○										Library and Information Science	-	5
99A	University of Tsukuba	Pure and Applied Sciences	Master's Program in Physics / Master of Science	○			○									-	5
99B	University of Tsukuba	Pure and Applied Sciences	Master's Program in Applied Physics / Master of Engineering	○			○									-	
99C	University of Tsukuba	Pure and Applied Sciences	Master's Program in Materials Science / Master of Engineering	○			○								Material Science	-	
100A	University of Tsukuba	Life and Environmental Sciences	Professional Training Program in International Agricultural Research	○	○											-	5
101A	The University of Tokyo	Engineering	International Graduate Program in the Field of Civil Engineering and Infrastructures Studies	○												-	5
102A	Saga University	Science and Engineering	Department of Chemistry and Applied Chemistry Post-graduate Program for Global Advancement (PPGA) in Environmental and Energy Science	○												-	2
102B	Saga University	Science and Engineering	Department of Mechanical Engineering Post-graduate Program for Global Advancement (PPGA) in Environmental and Energy Science	○												-	
102C	Saga University	Science and Engineering	Department of Electrical and Electronic Engineering Post-graduate Program for Global Advancement (PPGA) in Environmental and Energy Science	○												-	
102D	Saga University	Science and Engineering	Department of Civil Engineering and Architecture Post-graduate Program for Global Advancement (PPGA) in Environmental and Energy Science	○												-	
102E	Saga University	Science and Engineering	Department of Advanced Technology Fusion Post-graduate Program for Global Advancement (PPGA) in Environmental and Energy Science	○												-	
103A	Kanazawa University	Natural Science and Technology	Environmental Technology International Course (ETIC)	○												-	5
104A	Gunma University	Science and Technology	Education Program of Materials and Bioscience	○			○									-	6
104B	Gunma University	Science and Technology	Education Program of Mechanical Science and Technology	○			○									-	
104C	Gunma University	Science and Technology	Education Program of Materials and Bioscience	○			○									-	
104D	Gunma University	Science and Technology	Education Program of Electronics and Informatics	○			○									-	
105A	The University of Tokyo	Frontier Science	Department of International Studies	○	○				○							-	1
106A	The University of Tokyo	Public Policy	Master of Public Policy, International Program (MPP/IP)											○	Public Policy, Politics, Economics, Law, International Relations	-	2
107A	The University of Tokyo	Agricultural and Life Sciences	International Program in Agricultural Development Studies (IPADS)			○			○							-	5
107B	The University of Tokyo	Agricultural and Life Sciences	Department of Biomaterial Sciences												【Material and Housing Sciences】 ("Physics of Biomaterials", "Wood-Based Materials and Timber Engineering", "Cellulose, Pulp, and Paper Sciences") 【Biomass Chemistry】 ("Forest Chemistry", "Wood Chemistry", "Science of Polymeric Materials") 【Structural Biomaterials Science】	-	
107C	The University of Tokyo	Agricultural and Life Sciences	Department of Agricultural and Resource Economics			○			○							-	
108A	Waseda University	Business and Finance(WASEDA Business School)	International MBA Program						○							-	3
109A	Tohoku University	Environmental Studies	Master of Environmental Studies Master of Interdisciplinary Studies	○		○										-	5
110A	National Graduate Institute for Policy Studies	Policy Studies	One-year Master's Program of Public Policy (MP1)						○					○		-	5
110B	National Graduate Institute for Policy Studies	Policy Studies	Two-year Master's Program of Public Policy (MP2)						○					○		-	
111A	University of Tsukuba	Comprehensive Human Sciences	Master's Program of Kansei, Behavioral and Brain Sciences ( Kansei Science, Behavioral Science )	○		○									Design, Psychology, Human Care Science	-	1
112A	University of Tsukuba	Comprehensive Human Sciences	Master's Program in Medical Sciences/ Medical Science: Master of Medical Sciences							○	○				Public Health, Human Care Science	-	3
112B	University of Tsukuba	Comprehensive Human Sciences	Master's Program in Medical Sciences/ Public Health : Master of Public Health							○	○				Public Health, Human Care Science	-	
113A	University of Tsukuba	Life and Environmental Sciences	Biosystem course /Master's Degree in(choice of one of the followings): Agriculture, Biotechnology, or Biosystem studies	○	○									○	Design, Psychology, Human Care Science	5	7
113B	University of Tsukuba	Life and Environmental Sciences	Biodiplomacy course / Master's Degree in Biodiplomacy	○	○	○								○	Design, Psychology, Human Care Science	2	
114A	University of Tsukuba	Life and Environmental Sciences	SUSTEP (Sustainability Science, Technology, and Policy) Program/ Master's Program in Environmental Sciences	○	○	○	○			○			○	○	Global Leadership, Dispute Resolution, Environmental Policy, Agricultural Policy, Urban/Rural Development, Environmental Economy, Environmental Assessment, Waste Management, Industrial Ecology, Public Health, Environmental Chemistry, Bio/Phyto-remediation, Terrestrial/Aquatic/Marine Ecology, Environmental Biology, Natural Disaster Prevention, Hydrology, Climatology, Meteorology, Remote Sensing, Environmental Pharmaceutical Science	-	5
115A	Ashikaga Institute of Technology	Engineering	Master's Program of Information Science and Manufacturing Engineering	○	○											-	35
115B	Ashikaga Institute of Technology	Engineering	Master's Program of Construction and Environment Engineering	○												-	
116A	Saitama University	Science and Engineering	International Graduate Program on Civil and Environmental Engineering	○												-	2
117A	Kwansei Gakuin University	Science and Engineering	Bioscience, Bioinformatics and Medical Chemistry	○		○										-	3
117B	Kwansei Gakuin University	Science and Engineering	Nanotechnology and Physics	○		○										-	
117C	Kwansei Gakuin University	Science and Engineering	Material Science and Environmental Chemistry	○		○										-	

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
118A	Kwansei Gakuin University	Institute of Business and Accounting	International Management Course							○						-	5
119A	Yamagata University	Agricultural Science	Special Program for International Students in Sustainable Rice Production	○	○											-	4
120A	Yamagata University	Science and Engineering	Polymer Science and Engineering Program	○			○								Organic Materials Science	1	4
120B	Yamagata University	Science and Engineering	Organic Device Engineering Program	○			○								Organic Materials Science	1	
120C	Yamagata University	Science and Engineering	Mechanical Systems Engineering Program	○			○									2	
121A	Nagasaki University	Engineering	Water and Environmental Engineering Program	○												-	3
122A	Kansai University	Law	Global Cooperation Course												Law	-	2
123A	Tokyo University of Information Science s	Informatics	Field of Environmental Information	○	○	○	○	○								-	3
124A	Utsunomiya University	Agriculture	Master's Program in Bioproductive Science, English-option.			○										-	3
125A	Tohoku University	Economics and Management	International Accounting Policy Program							○				○		-	10
126A	University of Tsukuba	School of Integrative and	Master's Degree Program in Life Science Innovation	○		○	○				○	○				-	5
128A	Tottori University	Engineering	Special Program for Foreign Students Department of Mechanical and Aerospace Engineering	○												-	3
128B	Tottori University	Engineering	Special Program for Foreign Students Department of Information and Electronics	○												-	
128C	Tottori University	Engineering	Special Program for Foreign Students Department of Chemistry and Biotechnology	○												-	
128D	Tottori University	Engineering	Special Program for Foreign Students Department of Management of Social Systems and Civil Engineering	○												-	
129A	Nara Institute of Science and Technology	Information Science	International program in Information Science	○	○											-	5
130A	Tohoku University	Dentistry	Dentistry Program / Co-dental Course				○			○					Dental Science	1	3
130B	Tohoku University	Dentistry	Dentistry Program / Oral Health Course				○			○					Dental Science	1	
130C	Tohoku University	Dentistry	Dentistry Program / Dental Equipment & Functional Foods Development Course				○			○					Dental Science	1	
131A	Tohoku University	Engineering	Master's Program	○												-	5
132A	Tohoku University	Information	Information Technology and Science Course	○	○		○									-	2
133A	Tohoku University	Life Sciences	Bimolecular Sciences Program				○								Life sciences	-	3
133B	Tohoku University	Life Sciences	Developmental Biology and Neurosciences Program				○								Life sciences	-	
133C	Tohoku University	Life Sciences	Environmental Life Sciences Program				○								Life sciences	-	
134A	Tohoku University	Biomedical Engineering	Master's Program												Biomedical Engineering	-	2
135A	Tohoku University	Graduate School of Medicine (GSMD)	Public Health Sciences for Human Security							○					Environmental-resources, Human Security, Food Economics	2	6
135B	Tohoku University	Graduate School of Agricultural Science(GSAS)	Food & Agriculture for Human Security							○					Environmental-resources, Human Security, Food Economics	1	
135C	Tohoku University	Graduate School of International Cultural Studies (GSICS)	Human Security and Society	○						○	○	○	○		Resource and energy policy, Resource wars, Sustainable development, Human Security, Disaster mitigation	2	
135D	Tohoku University	Graduate School of Environmental Studies(GSES)	Human Security and Environment	○												1	
136A	Tohoku University	Economics and Management	Department of Economics and Management							○						-	2
137A	Nagaoka University of Technology	Engineering	Mechanical Engineering	○												-	10
137B	Nagaoka University of Technology	Engineering	Electrical, Electronics and Information Engineering	○	○											-	
137C	Nagaoka University of Technology	Engineering	Materials Science and Technology	○												-	
137D	Nagaoka University of Technology	Engineering	Civil and Environmental Engineering	○												-	
137E	Nagaoka University of Technology	Engineering	Bioengineering	○												-	
137F	Nagaoka University of Technology	Engineering	Information and Management Systems Engineering	○	○											-	
137G	Nagaoka University of Technology	Engineering	Nuclear System Safety Engineering	○												-	
138A	Niigata University	Science and Technology	Environmental Science for Agriculture and Forestry Course			○									Irrigation, water and soil management Agricultural Engineering.	-	3
138B	Niigata University	Science and Technology	Natural Disaster and Environmental Science												Natural hazards control	-	
139A	Saitama University	Humanities and Social Sciences	MEcon Program							○						-	5
140A	Tokyo Institute of Technology	Science	Chemistry				○									-	1
141A	Tokyo Institute of Technology	Materials and Chemical	Materials Science and Engineering	○			○									-	8
141B	Tokyo Institute of Technology	Materials and Chemical	Chemical Science and Engineering	○			○									-	
141C	Tokyo Institute of Technology	Materials and Chemical	Energy Science and Engineering	○			○									-	
141D	Tokyo Institute of Technology	Materials and Chemical	Human Centered Science and Biomedical Engineering	○			○									-	
141E	Tokyo Institute of Technology	Materials and Chemical	Nuclear Engineering	○			○									-	
142A	Tokyo Institute of Technology	Life Science and Technology	Life Science and Technology	○	○	○				○						-	5
143A	Tokyo Institute of Technology	Computing	Mathematical and Computing Science												Pure and Applied Mathematics, Computer Science	2	6
143B	Tokyo Institute of Technology	Computing	Computer Science												Computer Science	2	
143C	Tokyo Institute of Technology	Computing	Artificial Intelligence												Artificial Intelligence	2	
144A	Tokyo Institute of Technology	Engineering	Mechanical Engineering	○												2	6
144B	Tokyo Institute of Technology	Engineering	Systems and Control Engineering	○												1	
144C	Tokyo Institute of Technology	Engineering	Electrical and Electronic Engineering	○	○											1	
144D	Tokyo Institute of Technology	Engineering	Information and Communications Engineering	○	○											1	
144E	Tokyo Institute of Technology	Engineering	Industrial Engineering and Economics	○						○						1	

Graduate School Code for Third Batch	Name of University	Graduate School	Course	Engineering	ICT	Agriculture	Science	Marine Science	Commerce	Economics/Business Administration	Medical Science	Social Welfare	Tourism	Political Science /Public Administration	Others	Number of participants per course	Maximum Number of participants
145A	Tokyo Institute of Technology	Environment and Society	Architectural Design, Urban Planning and Building Engineering	O											Architectural Design, Urban Planning and Building Engineering	-	8
145B	Tokyo Institute of Technology	Science and Engineering	Civil Engineering	O												-	
145C	Tokyo Institute of Technology	Science and Engineering	Global Engineering for Environment and Society	O	O			O							Science Communication, translation studies, linguistics	-	
145D	Tokyo Institute of Technology	Science and Engineering	Engineering Sciences and Design	O								O				-	
145E	Tokyo Institute of Technology	Science and Engineering	Nuclear Engineering	O												-	
145F	Tokyo Institute of Technology	Science and Engineering	Urban Design and Built Environment	O												-	
146A	Hosei University	Computer and Information	Computer and Information Sciences		O											-	3
147A	Hosei University	Innovation Management (HBS/IM)	Global MBA Program							O						-	2
148A	Nagoya University of Commerce & Business	Management	Global Leader Program							O						-	5
149A	Kagawa University	Economics	Economics for Tourism							O			O			-	3
150A	Kagawa University	Engineering	Division of Safety Systems Construction Engineering	O												1	4
150B	Kagawa University	Engineering	Division of Reliability-based Information Systems Engineering	O	O											1
